"Avalon Incorporation has done it. We are more than happy with the results that we have now. Every aspect of our business is being handled by Avalon and we can say with assurance that they are the best in the business. We are truly grateful for their design team to guide us and make a distinct brand identity for us. We were very much surprised by their development team as they delivered the website even before the deadline"

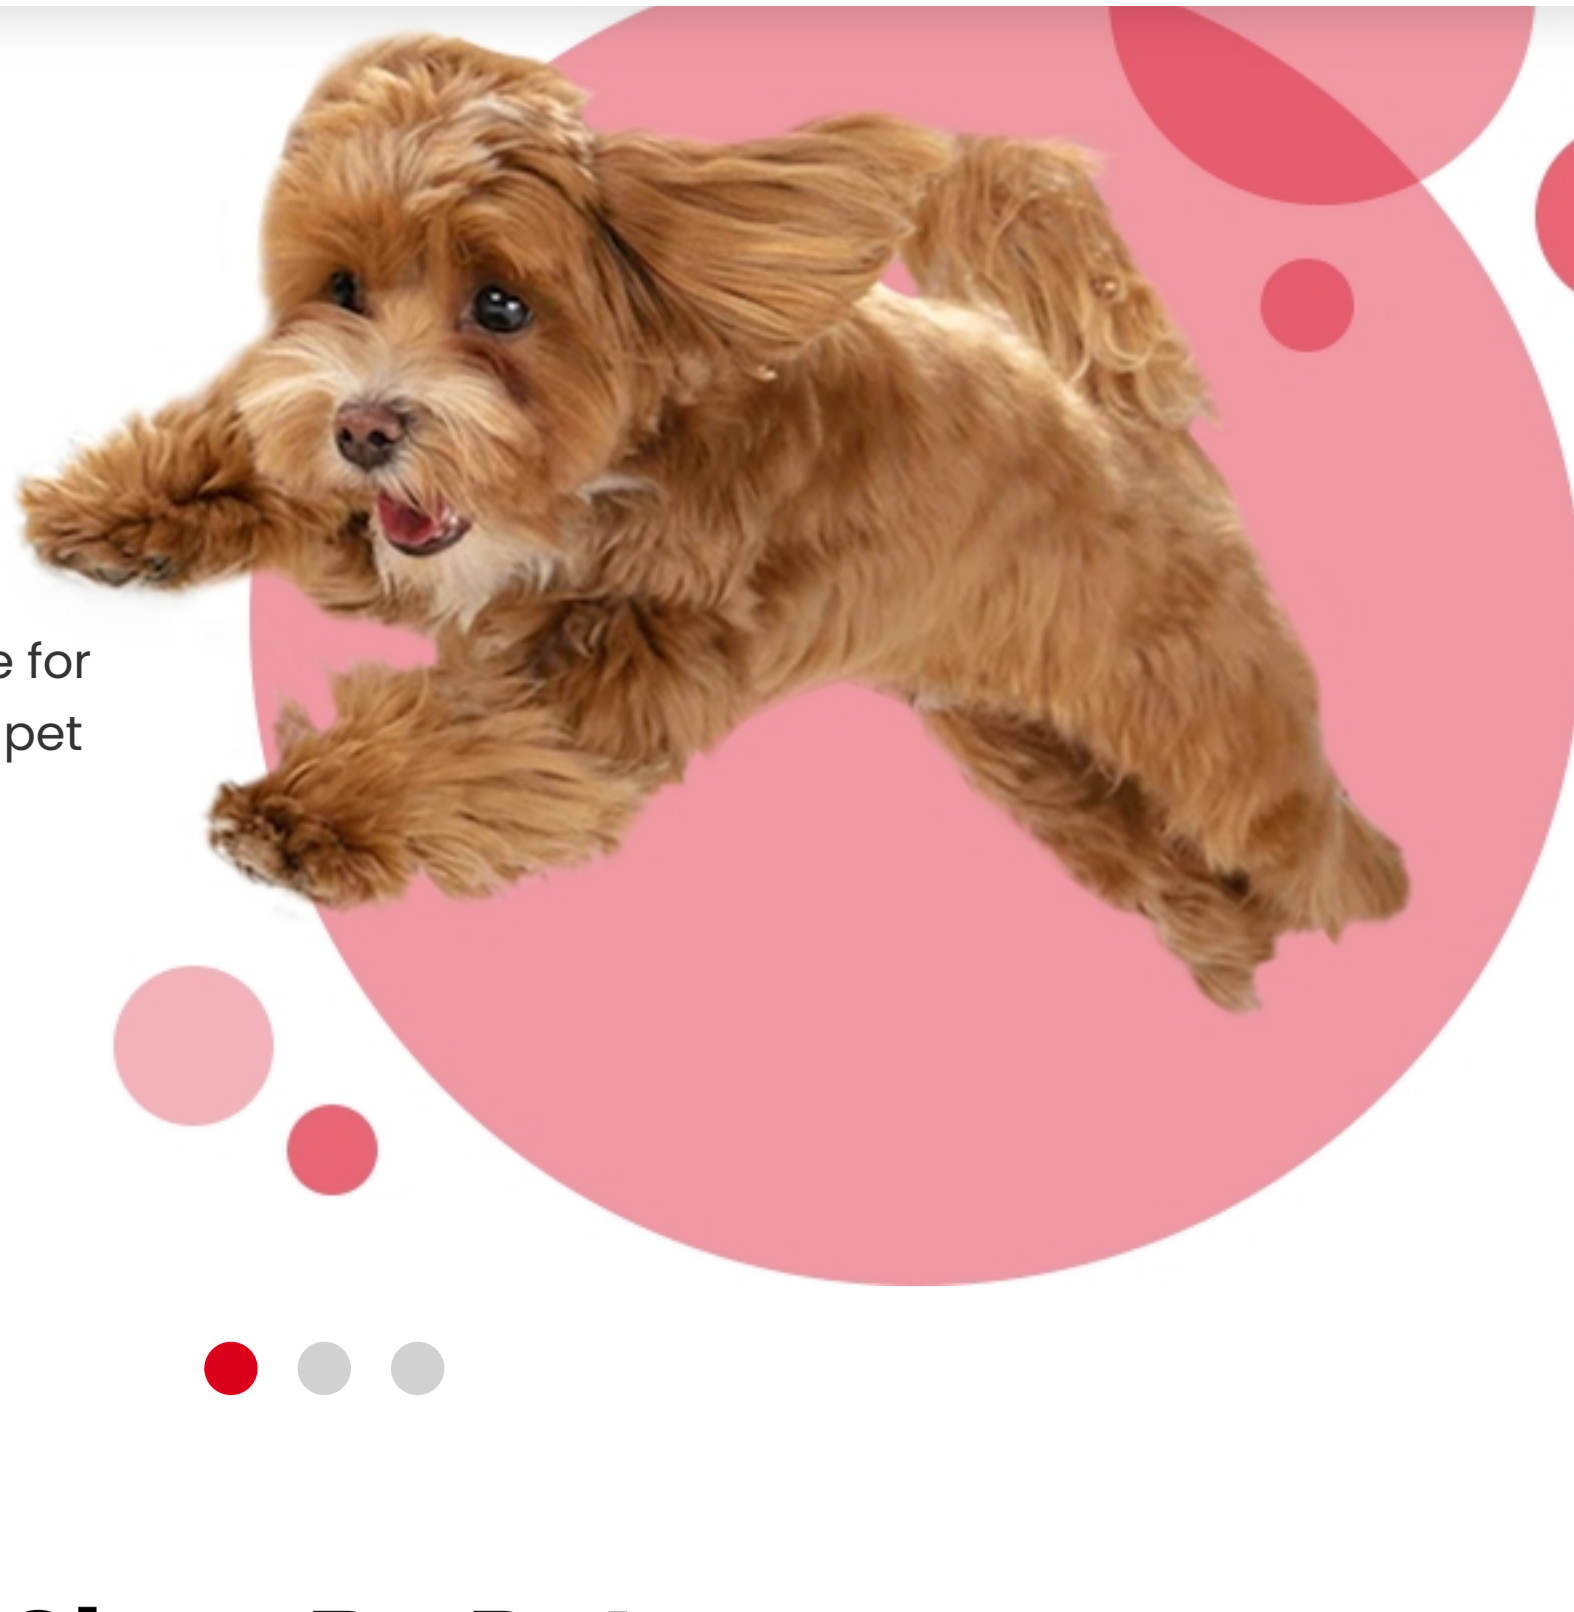

- Health improved within 6 months
- Fur quality density improved
